## **THE LONG ROAD FROM A BROKEN HEART BY JEREMY SCOTT**

Following life saving open heart surgery, Jeremy reached a stage in life where he felt as if he wasn't being challenged. To rectify the situation, he loaded some panniers onto his bicycle and spent 2 1/2 years pedaling almost 52,000km around the planet.

As a proud supporter of the Australian Heart Foundation, Jeremy's phenomenal journey highlights what anyone can achieve if they believe in themselves and have the courage to chase their dreams.

**Don't miss the opportunity to meet Jeremy and listen to his inspirational story on biking across the world, from London to Auckland, New Zealand. Jeremy will be speaking and presenting on Tuesday the 31st July 2018 at the club's meeting 6.30 at Mingara Recreation Club.**
