**President Robin's Message
September 25**

Our Social evening for this month was The Inner Wheel Trivia night on Friday 21st September at The Diggers Club. Our table consisted of Robin and Judi, Gordon and Sue, Clive and Jenny, David & Dianne & 2 friends Bill and Carol.

The event was in aid of Cord Blood research and there was a big response from many Central Coast donors and businesses with Cutlers, the Law firm, and Officeworks as Principal sponsors, so that virtually everyone of the 100 odd people present went home with a prize either from the Raffle or the various little parlour games that were played.

It was an enjoyable, successful and well organised evening. Clive was to be commended for attending his second successive Trivia evening in a row as he went to the Rotary Central Coast Drought Relief function the previous evening at Breakers Club.

On Tuesday evening we held our Annual Community Raffle initial distribution of tickets at Mingara Club, and 11 clubs/organisations attended, and so far another 15 have replied to say they wish to be involved this year.

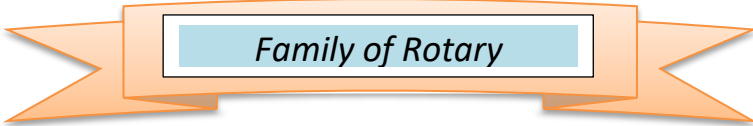

Thanks to Steven and David W. for the incredible amount of work they have put into converting the Master Database of Participating Clubs/Organisations from the basic list which Con Bartsos had maintained for over 15 years into a modern spreadsheet so that all the documents including a new Application form can be sent out via emails.

All clubs/organisations had to advise a relevant email to a Telephone Contact team consisting of Clive, Peter W, and Robin who made about 150 calls, and Stephen was able to send out over 120 emails, Hence we are hopeful of a bigger response this year as easy to send out a 2nd reminder to clubs/organisations to collect their tickets and information from James Sleeman Optometry at Chittaway Bay Shopping Mall.

Also at our informal meeting on Tuesday was a potential member John Bennett who we made welcome. John lives in The Entrance and travels by train to work with Core Logic in Chatswood. David W had effectively organised the computer Master Database system and the distribution team, and we were also able to include the new RC The Entrance flyer as part of the documents given out.

Next week we will have a speaker from the Wyong Historical Society as Bill Forsyth is in Europe.

You know you're Australian if...

- * You believe that stubbies can be either drunk or worn.
- * You're liable to burst out laughing whenever you hear of Americans "rooting" for something.
- * You pronounce Melbourne as 'Mel-bin'.
- * You believe the 'L' in the word 'Australia' is optional.
- * You call your best friend 'a total bastard' but someone you really, truly despise is just 'a bit of a bastard'.
- * You're secretly proud of our killer wildlife.
- * You believe it makes sense for a country to have a \$1 coin that's twice as big as its \$2 coin.
- * You understand that 'Wagga Wagga' can be abbreviated to 'Wagga' but 'Woy Woy' can't be called 'Woy'.
- * You've also squeezed vegemite through Vita Wheats to make little Vegemite worms.
- * Beetroot with your Hamburger... Of course.
- * You believe that the confectionery known as the Wagon Wheel has become smaller with every passing year.
- * You wear ugg boots outside the house.
- * You believe that the more you shorten someone's name the more you like them.
- * You understand that 'excuse me' can sound rude, While 'scuse me' is always polite.
- * You know what it's like to swallow a fly, on occasion via your nose.
- * You know it's not summer until the steering wheel is too hot to handle and a seat belt buckle becomes a pretty good branding iron.
- * Your biggest family argument over the summer concerned the rules for beach cricket.
- * You shake your head in horror when companies try to market what they call 'Anzac cookies'.

A woman standing nude in front of a mirror says to her husband: 'I look horrible, I feel fat and ugly, pay me a compliment.'

He replies, 'Your eyesight is perfect.'

Wife gets naked and asks hubby, 'What turns you on more, my pretty face or my sexy body?'

'Hubby looks her up and down and replies, 'Your sense of humour!'

An elderly couple is attending Mass. About halfway through, the wife leans over and says to her husband, 'I just let out a silent fart; what do you think I should do?'

He replies, 'Put a new battery in your hearing aid.'

Will it build **GOODWILL** and better **FRIENDSHIPS**?
